

# Mystical Journey II

Finished Quilt Size: 107" x 107"

© Copyright 2020

### Supplies Needed:

- ◆ Rotary cutter and mat (min. 18" x 24")
- ◆ Rulers: 6" x 24", 6" x 12" & 12" square
- ◆ I recommend a "Wing Clipper and a "Tucker Trimer" by Deb Tucker (very helpful but not required)
- ◆ Basic sewing supplies

### Fabric requirements:

- ◆ Fab. # 1 14" x WOF
- ◆ Fab. # 2 9" x 22" piece
- ◆ Fab. # 8 9" x 22" piece
- ◆ Fab. # 11 17" x WOF
- ◆ Fab. # 14 65" x WOF

## COTTON TREASURE DESIGN

# Mystical Journey II

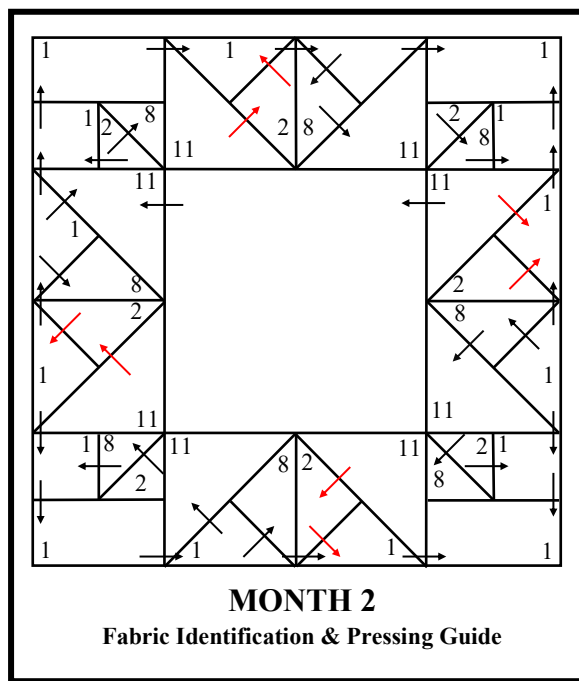

MONTH # 2

## COTTON TREASURE DESIGN

Turning Cotton into Treasure

by Lidia Froehler

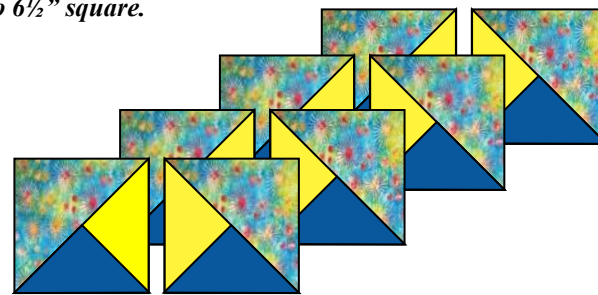

### Month One and Two

In order to avoid working with lots of triangles that have bias edges you will be using the easier method of making combination units. This will result in an extra set of mirror image units for block One and Two. Don't Panic, you will be getting a bonus pattern at the end of this program to use the units in.

#### Piecing the block:

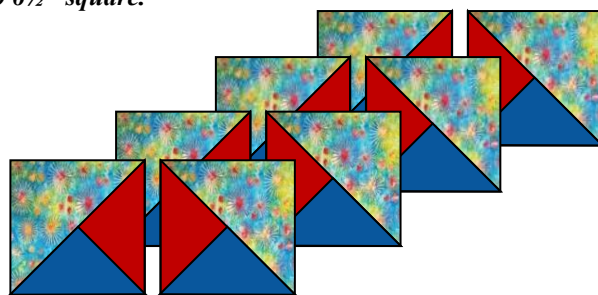

1. Take 2 - 7½" squares of Fab. # 1 and Fab. # 2 and 4 squares of Fab. # 11. Following the instruction in the Reference Guide make 8 Combination Units (CU).

Press the first cut to the dark and the second cut towards the pieced triangles, see diagram on the left side. Separate them into matching units and put one set aside. I used the one on the right side. They should be trimmed to 6½" square.

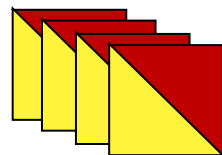

2. Take 2 - 7½" squares of Fab. # 1 and Fab. # 8 and 4 squares of Fab. # 11. Following the instruction on sewing and **pressing** in the Reference Guide make 8 Combination Units (CU).

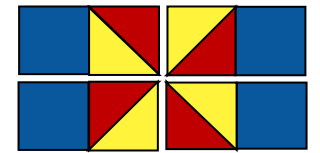

Separate them into matching units and put one set aside. I used the one on the left side. They should be trimmed to 6½" square.

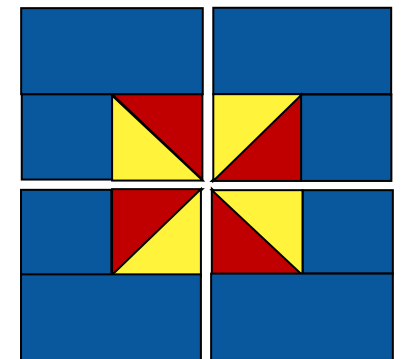

3. Take 2 - 4" squares of Fab. # 2 and Fab. # 8, follow the instructions in the Reference Guide to make 4 Half Square Triangles (HST). They should be trimmed to 3½" square.

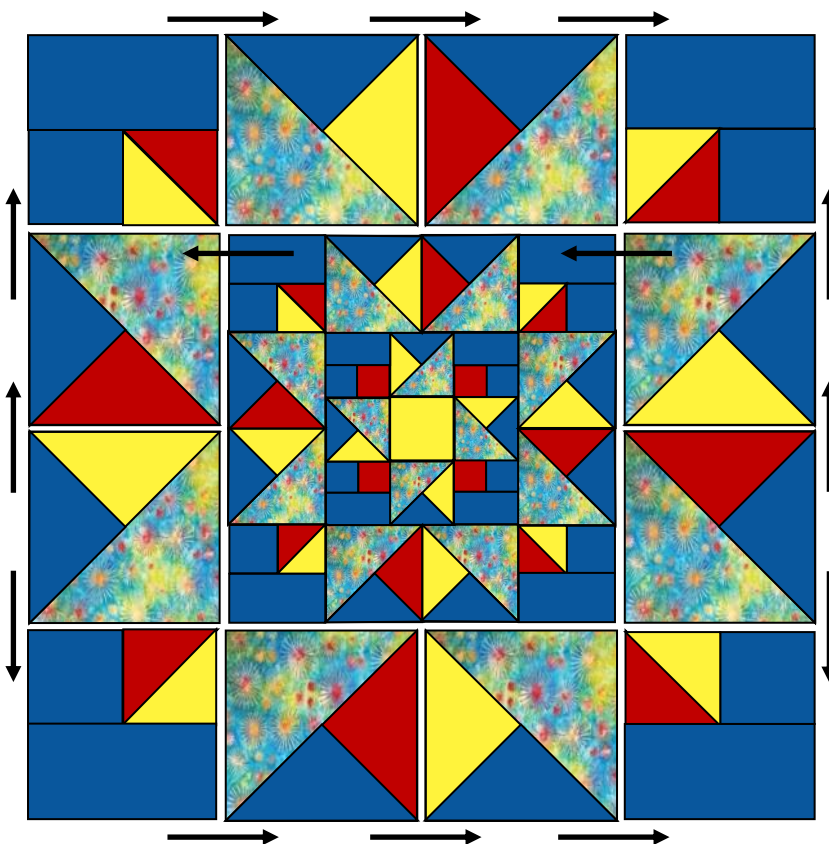

4. Take 4 - 3½" squares of Fab. # 1 and the HST from step # 3. Follow the diagram to the right and sew them into 4 pairs, press to square. Each segment should measure 3½" x 6½".

5. Take 4 - 3½" x 6½" rectangles of Fab. # 1. Following the diagram attach them to the segments from step # 4. Press toward the rectangle. Each corner unit should measure 6½" x 6½".

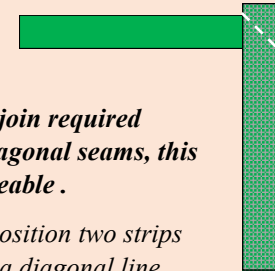

6. Using the units made in the above steps and the Month # 1 block, lay out the star as shown. Sew it into 3 rows and then sew the rows together. Press the rows in opposite directions as indicated by arrows. Clean the edges and trim any loose threads, make sure you have a ¼" seam allowance on all points of the star. The star should measure 24½" square.

#### ... a Tip for you

For borders and binding, join required amount of strips with a diagonal seams, this will make them less noticeable.

With right sides together position two strips at 90 degrees angle, draw a diagonal line between the two inside corners (as shown). Stitch on the line, trim ¼" away from the stitching line and press open.

7. The 37 strips of Fab. # 14 are for all the skinny borders. Sew them end to end using the above described method of joining strips as you need the length to be cut.
8. Cut 2 strips that are 24½" long and sew them to the sides of the block that you just finished.
9. Cut 2 strips that are 26½" long and attach them to the top and bottom of the block.
10. Reserve the rest of the 1½" wide strips for future use.

#### Cutting:

Fab. # 1 

- a) 4 - 7½" squares
- b) 4 - 3½" x 6½" rectangles
- c) 4 - 3½" squares

Fab. # 2 

- a) 2 - 7½" squares
- b) 2 - 4" squares

Fab. # 8 

- a) 2 - 7½" squares
- b) 2 - 4" squares

Fab. # 11 

- a) 8 - 7½" squares

Fab. # 14 

- a) 37 - 1½" x width of fabric (WOF)

These strips will be used for all skinny borders. You will be attaching the borders as needed when you complete the blocks.

Follow the instruction at the end of this pattern on how to join the strips.
